Join us Friday night as we kick off our Convention with a powerful Town Hall discussion linking activists from This Stops Now Harrisburg, Women of Color Caucus, the National Organization for Women and others. Be part of resistance to racism, sexism, classism and xenophobia in our communities. Learn about overpolicing of communities of color, mass incarceration, inequality in the workplace, lack of access to the ballot and to leadership in government. The Town Hall is free & open to the public, but please RSVP at [2015PANOWConvention.Eventbrite.com](http://2015PANOWConvention.Eventbrite.com).

Come to our Saturday Convention, chock full of informative workshops, and join the fight to ensure access to healthcare, end violence against women, combat racism, protect reproductive rights, close the gender wage gap, and bring women into full and equal participation in politics and society.
